

Love your Garden Room

Let us clean, care & maintain your Garden Room

At last we have found our own window cleaner, the lovely Lee, meaning we can now offer you a full cleaning and maintenance service

Our 10 step service includes:

1. Cleaning all external joinery
2. Cleaning all windows, doors inside and out and roof glass externally
3. Cleaning the lantern aluminium externally
4. Cleaning the flat roof area
5. Cleaning the gutters, hoppers and checking for gutter leaks
6. Hoovering and cleaning the lantern's internal shelf (where insects go to die)
7. Wiping down all ironmongery
8. Checking all external surfaces for damage and touching in with end grain sealer if necessary
9. Weather permitting, recoating the thresholds
10. Checking that opening doors and windows are operational
