2. BASIS OF THE SALE

2.1 The Seller shall sell and the Purchaser shall purchase the Goods and/or Services in accordance with any written quotation of the Seller which is accepted by the Purchaser, or any Order of the Purchaser which is accepted by the Seller, subject in either case to these Conditions, which shall govern the Contract to the exclusion of any other terms, conditions, arrangements, customs or practices. This is provided that any terms or conditions stipulated incorporated or referred to by the Seller in the written quotation (or in the Seller’s written acceptance) that are inconsistent with or varies from these Conditions shall override these Conditions. These Conditions shall supersede any other express or implied, written or oral terms, arrangements, customs or practices unless the written quotation of the Seller specifically states otherwise.

2.2 The Seller reserves the right to vary these Conditions upon giving the Purchaser reasonable notice of its intention to do so. The Seller objects to any varying terms proposed by the Purchaser in its Order or any other document of the Purchaser. Such varying terms shall not become part of the Contract without the express written consent and signature of the authorised representatives of the Seller.

3. ORDERS, SPECIFICATIONS AND CANCELLATIONS

3.1 No Order shall be deemed to be accepted by the Seller unless and until confirmed in writing by the Seller's authorised representative. The contract between the Seller and Purchaser is binding following receipt of a deposit payment.

3.2 The Purchaser shall be responsible to the Seller for ensuring the accuracy of the terms of any Order (including any applicable specification).

3.3 The quantity, quality, and description of any specification for the Goods and/or Services shall be those set out in the Seller's quotation (if accepted by the Purchaser) or the Order (if accepted by the Seller). The Seller reserves the right to make any changes in the specification of the Goods and/or Services which are required to conform to any applicable statutory requirements or, where the Goods and/or Services are to be supplied to the Purchaser's specification, which do not materially affect their quality or performance.

3.4 No Order which has been accepted by the Seller may be cancelled by the Purchaser.

4. PRICE

4.1 The price of the Goods and/or Services shall be the Seller's quoted price, or the price accepted in writing by the Seller. All prices quoted are valid for 90 days only, after which time they may be altered by the Seller without giving notice to the Purchaser.

4.2 The quoted prices are based upon the scope of the Services and/or Goods referred to in the Seller's offer. In the event of any variation in the scope of Services and/or Goods ordered, including delivery dates from that of the Seller's offer, the Seller reserves the right to vary the prices quoted.

4.3 Once the Purchaser has provided the Seller with written instruction to proceed to an order, the manufacture of the goods being supplied will be scheduled to meet the required completion/ delivery date stated at the time of order placement. The Seller has the right to apply additional costs if the project is delayed and production completion exceeds ninety days from the originally proposed date. Any project going past the 90-day period, will be subject to the Seller's current manufacture schedule and may result in the revised completion date having to be re-planned at the next available position. If a project is being delayed, the Purchaser is required to notify the Seller with sufficient notice.

4.4 In the event the Purchaser requires additional Goods or additional works which are not included within the quotation or the Order, the Seller shall provide the Purchaser with prices for these Goods/services. Unless the Purchaser notifies the Seller to the contrary, the prices for the additional Goods/services will be deemed to be accepted and will form part of the price referred to in clause 4.1 and of the Contract. Any variations to the contract will be costed independently and depending on the time between the original order and the additional items, the cost and lead time may vary.

4.5 VAT will be added to all prices at the applicable rate.

Where the Goods or Services are to be delivered/performed in instalments, each delivery/performance shall constitute a separate contract and failure by the Seller to deliver/perform any one or more of the instalments in accordance with these Conditions or any claim by the Purchaser in respect of any one or more instalments shall not entitle the Purchaser to treat the Contract as repudiated.

6.3 For the delivery/provision of Goods and/or Services at a Site, the Purchaser shall at its own costs and expense, take all necessary measures, to prepare the Site and ensure that the Seller's personnel are able to commence work immediately upon their arrival at the Site and further ensure that work proceeds in an uninterrupted manner.

The Purchaser shall accept (and in default shall be deemed to accept) the Goods and/or Services on the date that the Seller informs it that the Goods and/or Services have been delivered/performed.

6.5 If the Purchaser fails to take delivery of the Goods within three Business Days of the Seller notifying the Purchaser that the Goods are ready, then, except where such failure or delay is caused by a Force Majeure Event or the Seller's failure to comply with its obligations under the contract

(i) delivery of the Goods shall be deemed to have been completed by 9.00am on the third Business Day after the day on which the Seller notified the Purchaser that the Goods were ready, and

All storage is subject to prior agreement depending on space available at the current time.

6.6 If the Purchaser has not taken delivery of the Goods within 10 Business Days from the day on which the Seller notified the Purchaser that the Goods were ready for delivery, the Seller has the right to resell or otherwise dispose of part, or all of the Goods unless the above storage arrangement has been agreed prior.

6.7 Once the Goods have been delivered by the Seller, the Purchaser has 48 hours to notify the Seller of any defects or damage. Once the 48 hour period has passed, it is deemed that the purchaser accepts all Goods as delivered and any defects or damage reported at this time, or thereafter, may come at additional expense to the Purchaser.

8. TITLE AND RISK

7.1 Risk of damage to or loss of the Goods shall pass to the Purchaser at the time of delivery or, if the Purchaser fails to take delivery of the Goods, the time when the Seller has tendered delivery of the Goods.

7.2 Notwithstanding delivery and the passing of risk in the Goods, or any other provision of these Conditions, title in the Goods shall not pass to the Purchaser until the Seller has received in cash or cleared funds payment, in full, of the price of the Goods and all other Goods agreed to be sold by the Seller to the Purchaser for which payment is then due.

7.3 Until such time as title in the Goods passes to the Purchaser, the Seller shall be entitled at any time to require the Purchaser to deliver up the Goods to the Seller and, if the Purchaser fails to do so forthwith, to enter upon any premises of the Purchaser or any third party where the Goods are stored and repossess the Goods. Until such time, as in accordance with this provision, the Goods shall not be pledged or given as security or resold by the Purchaser and the Purchaser undertakes to store the Goods in its premises separately from its own Goods or those of any other person and in a manner which makes them readily identifiable as the Seller's Goods.

8.4 Any claim by the Purchaser which is based on any defect in the quality or condition of the Goods or Guaranteed Goods or their failure to correspond with specification shall (whether or not delivery is refused by the Purchaser) be notified to the Seller within 7 days from the date of delivery or (where the defect or failure was not apparent on reasonable inspection) within 7 days after discovery of the alleged defect or failure, failing which the Seller shall not be liable under the Guarantee provided in Clause 8.1 herein.

8.5 Where any valid claim in respect to any of the Goods or Guaranteed Goods, which is based on any defect in the quality or condition of the Goods or the Guaranteed Goods or their failure to meet specification, is notified to the Seller in accordance with these Conditions. The Seller's sole liability shall be to repair or replace the Goods or Guaranteed Goods (or the part in question) free of charge at the Seller's sole discretion, or refund the Purchaser the price of the Goods or the Guaranteed Goods (or a proportionate part of the price).

8.7 The benefit of this Guarantee shall apply only to the Purchaser and may only be assigned or transferred with the written consent of the Seller.

8.8 The Seller shall not be liable to the Purchaser or be deemed to be in breach of the Contract by reason of any delay in performing, or any failure to perform, any of the Seller's obligations in relation to the Goods or the Guaranteed Goods, if the delay or failure was due to force majeure. For the purposes of this clause, force majeure shall mean any unforeseen event beyond the reasonable control of the Seller such as, but not limited to any act of God, act of government or any authorities, hostilities between nations, war, riot, civil commotions, civil war, insurrection, blockades, import or export regulations or embargoes, rainstorms, national emergency, earthquake, fires, explosion, flooding, hurricane or other exceptional weather conditions or natural disaster, acts of terrorism, accidents, sabotages, strikes, shortages in material or supply, infectious diseases, epidemics, as well as travel restrictions or travel warnings due to any such events. If any delay in performing, or any failure to perform the Contract is caused by the delay of a subcontractor of the Seller, and is beyond the control and without the fault or gross negligence of the Seller, the Seller shall incur no liability for such delay.

8.9 Save for the remedies available to the Purchaser under these Conditions, the Seller shall not be liable to the Purchaser under this Contract in any way whatsoever. Without prejudice to the foregoing, in no event shall the Seller be liable for incidental, indirect or consequential damages of any kind.
